Dear Stockholder:

You are cordially invited to attend the 2022 Annual Meeting of Stockholders (“Annual Meeting”) of Ovid Therapeutics Inc., a Delaware corporation (“Ovid”), to be held virtually on Thursday, June 9, 2022, at 11:00 a.m. Eastern time. We believe hosting a virtual meeting enables increased stockholder participation, while lowering the cost of conducting the Annual Meeting. Further, we believe the virtual meeting format is critical in light of the ongoing COVID-19 pandemic, as the safety of our employees, communities and stockholders is our first priority. There will not be a physical location for the Annual Meeting, and you will not be able to attend the Annual Meeting in person.

You will be able to attend the Annual Meeting, ask questions and vote your shares during the meeting by visiting [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022). To participate in the Annual Meeting you will need the 16-digit control number located on the Notice of Internet Availability of Proxy Materials, your proxy card or voting instruction form. Details regarding access to the Annual Meeting and the business to be conducted at the Annual Meeting are described in the accompanying Notice of Internet Availability.

Additional details regarding access to the Annual Meeting and the business to be conducted at the Annual Meeting are described in the accompanying Notice of 2022 Annual Meeting of Stockholders and proxy statement.

We are pleased to once again offer our proxy materials over the internet under the U.S. Securities and Exchange Commission’s “notice and access” rules. As a result, we are mailing to our stockholders a Notice of Internet Availability of Proxy Materials instead of paper copies of the Notice of Annual Meeting, proxy statement, proxy card and our 2021 Annual Report. The Notice of Internet Availability of Proxy Materials contains instructions on how to access those documents over the internet. The Notice of Internet Availability of Proxy Materials also contains instructions on how stockholders can receive a paper copy of our proxy materials. By providing our proxy materials over the internet, we are reducing the environmental impact and cost of our Annual Meeting.

Your vote is important. Whether or not you plan to attend the Annual Meeting, we hope you will vote as soon as possible. You may vote over the internet, by telephone or, if you request a paper proxy card, please mark, sign and date the proxy card when received and return it promptly in envelope provided. Please carefully review the instructions on each of your voting options described in this proxy statement, as well as in the Notice of Internet Availability of Proxy Materials you received in the mail. If you vote by proxy and also attend the virtual Annual Meeting, there is no need to vote again at the Annual Meeting unless you wish to change your vote.

On behalf of the Board of Directors and the employees of Ovid, we appreciate your investment in Ovid and urge you to cast your vote as soon as possible.

Sincerely,

/s/ Jeremy M. Levin

**PROXY STATEMENT  
FOR THE 2022 ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JUNE 9, 2022  
AT 11:00 A.M. EASTERN TIME**

**QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING**

**Why did I receive a Notice of Internet Availability of Proxy Materials (“Notice”) on the Internet instead of a full set of Proxy Materials?**

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our Proxy Materials over the Internet. Accordingly, we have sent you a Notice because the Board of Directors of Ovid Therapeutics Inc. (the “Board”) is soliciting your proxy to vote at the 2022 Annual Meeting of Stockholders (the “Annual Meeting”) of Ovid Therapeutics Inc. This proxy statement and proxy card or, for shares held in street name (held for your account by a broker or other nominee), voting instruction form, and the Annual Report on Form 10-K for the year ended December 31, 2021 (collectively the “Proxy Materials”) are available to stockholders on the internet. Instructions on how to access the Proxy Materials over the internet or instructions on how to request a printed copy of the Proxy Materials may be found in the Notice.

The Notice will provide instructions as to how a stockholder of record may access and review the Proxy Materials, on the website referred to in the Notice or, alternatively, how to request that a copy of the Proxy Materials, including a proxy card, be sent by mail to the stockholder of record. The Notice will also provide voting instructions. In addition, stockholders of record may request to receive the Proxy Materials in printed form by mail or electronically by e-mail on an ongoing basis for future stockholder meetings.

We intend to mail the Notice on or about May 2, 2022 to all stockholders of record entitled to vote at the Annual Meeting. The Proxy Materials will be made available to stockholders on the internet on the same date.

**Will I receive any other Proxy Materials by mail?**

You will not receive any additional Proxy Materials via mail unless (1) you request a printed copy of the Proxy Materials in accordance with the instructions set forth in the Notice or (2) we elect, in our discretion, to send you a proxy card and a second Notice of Internet Availability, which we may send on or after May 9, 2022.

**When is the record date for the Annual Meeting?**

The Board has fixed the record date for the Annual Meeting as of the close of business on April 11, 2022 (the “Record Date”).

**Why is Ovid conducting a virtual Annual Meeting?**

We believe that the virtual meeting format will help protect the health and well-being of our directors, members of management and stockholders who wish to attend the Annual Meeting. Stockholders attending the virtual meeting will be afforded the same rights and opportunities to participate as they would at an in-person meeting, including the ability to submit questions and to vote. We believe that hosting a virtual meeting is in the best interest of our stockholders and enables increased stockholder attendance and participation.

**How do I attend the Annual Meeting?**

To participate in the Annual Meeting, you will need to visit [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022) and enter the 16-digit control number included on your Notice, on your proxy card or on the instructions that accompanied your proxy materials, as applicable. The meeting webcast will begin promptly at 11:00 a.m. Eastern time. We encourage you to access the meeting prior to the start time. Online check-in will start 15 minutes before the meeting, and you should allow ample time for the check-in procedures. If your shares are held by a broker and you do not have a control number, please contact your broker as soon as possible so that you can be provided with a control number.

**What do I do if I have technical difficulties in connection with the Annual Meeting?**

The Annual Meeting will begin promptly at 11:00 a.m. Eastern time. We encourage you to access the Annual Meeting approximately 15 minutes in advance to allow ample time for you to log in to the meeting and test your computer audio system. We recommend that you carefully review the above procedures needed to gain admission in advance. Technicians will be ready to assist you with any technical difficulties you may have accessing the virtual meeting. If you encounter any difficulties accessing the virtual meeting during check-in or during the meeting, please call the technical support number that will be posted on the meeting login page at [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022).

**How do I ask a question at the Annual Meeting?**

As part of the Annual Meeting, we will hold a live question and answer session during which we intend to answer questions submitted during the meeting in accordance with the rules of conduct posted on the meeting website, as time permits. Only stockholders of record as of April 11, 2022 may submit questions or comments. If you would like to submit a question, you may do so by accessing the Annual Meeting at [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022), logging in using the control number provided in the Notice and typing your question in the appropriate box in the meeting portal. We do not intend to post questions received during the Annual Meeting on our website.

In accordance with the rules of conduct, we ask that you limit your question to one brief question that is relevant to the Annual Meeting or our business and that such questions are respectful of your fellow stockholders and meeting participants. Questions and answers may be grouped by topic and substantially similar questions may be grouped and answered once. In addition, questions may be ruled out of order if they are, among other things, irrelevant to our business, related to pending or threatened litigation, disorderly, repetitious of statements already made, or in furtherance of the stockholder's own personal, political or business interests.

**Will a list of record stockholders as of the record date be available?**

For 10 days prior to and during the meeting, a complete list of the stockholders entitled to vote at the meeting will be available for examination by any stockholder for any purpose relating to the meeting. Visit [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022) for further information during the 10-day examination period.

**Who can vote at the Annual Meeting?**

Only stockholders of record at the close of business on the Record Date, will be entitled to vote online during the Annual Meeting. On this record date, a total of 70,417,345 shares of common stock outstanding and entitled to vote.

*Stockholder of Record: Shares Registered in Your Name*

If on the Record Date, your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A., then you are a stockholder of record. As a stockholder of record, you may vote online during the meeting, vote by proxy over the telephone or through the internet, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted.

*Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Similar Organization*

If on the Record Date, your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares online during the meeting unless you request and obtain a valid proxy from your broker or other agent, as required. Follow the instructions from your broker, bank or other agent included with these proxy materials, or contact that organization to request a proxy form.

## What am I voting on?

There are two matters scheduled for a vote:

- Election of Class II directors to hold office until the 2025 Annual Meeting of Stockholders; and
- Ratification of the selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

## What if another matter is properly brought before the meeting?

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

## How do I vote?

If you are a stockholder of record and your shares are registered directly in your name, you may vote:

- By Internet. To vote through the internet, go to [www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your internet vote must be received by 11:59 p.m., Eastern time on June 8, 2022 to be counted.
- By Telephone. Call (800) 690-6903 toll-free from the United States U.S. territories and Canada, and follow the instructions on the Notice. You will be asked to provide your control number from the Notice. Your telephone vote must be received by 11:59 p.m., Eastern time on June 8, 2022 to be counted.
- By Proxy Card. Complete and mail the proxy card that may be delivered and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- Online During the Annual Meeting. Access the Annual Meeting by visiting [www.virtualshareholdermeeting.com/OVID2022](http://www.virtualshareholdermeeting.com/OVID2022) and providing your 16-digit control number from your Notice, proxy card or the instructions that accompanied your proxy materials, as applicable.

If your shares of common stock are held in street name (i.e., held for your account by a broker, bank or other nominee), you should have received a notice containing voting instructions from that organization rather than from us. You should follow the instructions in the notice to ensure your vote is counted. To vote during the Annual Meeting, you must obtain a valid proxy from your broker or other nominee. Follow the instructions from your broker, bank or other nominee or contact your broker, bank or other nominee to request a proxy form.

## How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of the Record Date.

## What are the Board's recommendations on how to vote my shares?

The Board recommends a vote:

- Proposal 1: **FOR** election of the Class II director nominees
- Proposal 2: **FOR** ratification of the selection of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2022.

## If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by either completing your proxy card, by telephone or through the internet prior to 11:59 p.m., Eastern time on June 8, 2022 or during the virtual Annual Meeting, your shares will not be voted. If you return a signed and dated proxy card or otherwise vote without making voting selections, your shares will be voted, as applicable, "For" the election of the nominee for director and "For" ratification of the selection of KPMG LLP as our independent registered public accounting firm. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

### **If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?**

If your shares are held in street name, your bank, broker or other nominee may under certain circumstances vote your shares if you do not timely instruct your broker, bank or other nominee how to vote your shares. Banks, brokers and other nominees can vote your unvoted shares on routine matters but cannot vote such shares on non-routine matters. If you do not timely provide voting instructions to your bank, broker or other nominee to vote your shares, your bank, broker or other nominee may, on routine matters, either vote your shares or leave your shares unvoted. The election of a director (Proposal 1) is a non-routine matter. The ratification of the selection of our independent registered public accounting firm (Proposal 2) is a routine matter. We encourage you to provide voting instructions to your bank, broker or other nominee. This ensures that your shares will be voted at the Annual Meeting according to your instructions. You should receive directions from your bank, broker or other nominee about how to submit your proxy to them at the time you receive this proxy statement.

*If you are a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you **must** provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.*

### **Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these Proxy Materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding Proxy Materials to beneficial owners.

### **What does it mean if I receive more than one Notice?**

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the notices to ensure that all of your shares are voted.

### **Can I change my vote after submitting my proxy?**

*Stockholder of Record: Shares Registered in Your Name*

Yes. If you are the stockholder of record for your shares, you may revoke your proxy at any time before the final vote at the Annual Meeting in one of the following ways:

- by submitting another properly completed proxy with a later date;
- by transmitting a subsequent vote over the internet or by telephone prior to 11:59 p.m., Eastern time on June 8, 2022;
- by attending the virtual Annual Meeting and voting online during the meeting;
- by sending a timely written notice to our Corporate Secretary in writing to 1460 Broadway, Suite 15044, New York, New York 10036 or by email to [corporatesecretary@ovidrx.com](mailto:corporatesecretary@ovidrx.com), indicating that you are revoking your proxy; or
- by attending the Annual Meeting virtually and voting electronically. Simply attending the Annual Meeting will not, by itself, revoke your proxy. ***Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or through the internet in advance of the Annual Meeting so that your vote will be counted if you later decide not to attend the Annual Meeting.***

Your last vote, whether prior to or at the Annual Meeting, is the vote that we will count.

*Beneficial Owner: Shares Registered in the Name of a Broker, Bank or Similar Organization*

If your shares are held in street name, you must contact your broker or nominee for instructions as to how to change your vote. Your attendance at the virtual Annual Meeting does not revoke your proxy. Your last vote, whether prior to or during the Annual Meeting, is the vote that we will count.

### **How is a quorum reached?**

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting or represented by proxy. On the Record Date, there were 70,417,345 shares outstanding and entitled to vote. Thus, the holders of 35,208,674 shares must be present or represented by proxy at the Annual Meeting to have a quorum. The inspectors of election appointed for the Annual Meeting will determine whether or not a quorum is present.

Abstentions and broker non-votes, if any, will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting or represented by proxy may adjourn the meeting to another date.

### **What are “broker non-votes”?**

As discussed above, when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed to be “non-routine,” the broker or nominee cannot vote the shares. These unvoted shares are counted as “broker non-votes.” Proposal 1 is considered to be “non-routine” and we therefore expect broker non-votes to exist in connection with this proposal.

### **What vote is required to approve each item and how are votes counted?**

*Proposal 1: Election of Director.* For the election of a director, the nominee receiving the most “For” votes from the holders of shares present or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” will affect the outcome. You may not vote your shares cumulatively for the election of a director.

*Proposal 2: Ratification of the Selection of the Independent Registered Public Accounting Firm.* To be approved, the selection of KPMG LLP as our independent registered public accounting firm for fiscal year ending December 31, 2022, must receive “For” votes from the holders of a majority of shares present or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

### **How can I find out the results of the voting at the Annual Meeting?**

We will announce preliminary voting results during our Annual Meeting. We will publish final voting results in a Current Report on Form 8-K that we expect to file no later than June 15, 2022. If final voting results are not available by June 15, 2022, we will disclose the preliminary results in the Current Report on Form 8-K and, within four business days after the final voting results are known to us, file an amended Current Report on Form 8-K to disclose the final voting results.

### **When are stockholder proposals due for the 2023 Annual Meeting of Stockholders?**

#### *Requirements for stockholder proposals to be brought before an Annual Meeting*

Our amended and restated bylaws (“Bylaws”) provide that, for stockholder director nominations or other proposals to be considered at an annual meeting, the stockholder must give timely notice thereof in writing to our Corporate Secretary c/o Ovid Therapeutics Inc., 441 Ninth Avenue, 14<sup>th</sup> floor, New York, NY 10001. To be timely for the 2023 Annual Meeting of Stockholders, a stockholder’s notice must be delivered to or mailed and received by our Secretary at our principal executive offices between February 9, 2023 and March 11, 2023; *provided, however*, that in the event that the date of the 2023 Annual Meeting is more than 30 days before or more than 60 days after such anniversary date, we must receive your notice (a) no earlier than the close of business on the 120<sup>th</sup> day prior to the currently proposed 2023 Annual Meeting and (b) no later than the close of business on the later of the 90<sup>th</sup> day prior to the 2023 Annual Meeting or the 10<sup>th</sup> day following the day on which we first make a public announcement of the date of the 2023 Annual Meeting. A stockholder’s notice to the Secretary must also set forth the information required by our Bylaws.

#### *Requirements for stockholder proposals to be considered for inclusion in our proxy materials.*

Stockholder proposals submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and intended to be presented at the 2023 Annual Meeting of Stockholders must be received by us not later than January 2, 2023 in order to be considered for inclusion in our proxy materials for that meeting.

In addition to satisfying the foregoing requirements under our Bylaws, to comply with the universal proxy rules (once effective), stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than April 10, 2023

**Who should I call if I have any additional questions?**

If you are the stockholder of record for your shares, please call Thomas M. Perone, our General Counsel and Corporate Secretary, at (646) 701-5169. If your shares are held in street name, please contact the telephone number provided on your voting instruction form or contact your broker or nominee holder directly.

## PROPOSAL 1: ELECTION OF DIRECTORS

### General

Our Board currently is composed of six sitting directors. Our amended and restated certificate of incorporation provides for a classified Board consisting of three classes of directors. Each class of directors has a three-year term. Class I consists of Ms. Duncan and Dr. Poole, Class II consists of Mr. Friedman and Dr. Fitzgerald and Class III consists of Drs. Bernstein and Levin. Vacancies on our Board may be filled only by persons elected by a majority of the remaining directors. A director elected by our Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

There are two Class II directors whose term of office expires in 2022, Dr. Fitzgerald and Mr. Friedman. Effective upon the election of the directors at the Annual Meeting, our Board will consist of six sitting directors. Upon the recommendation of the Nominating and Corporate Governance committee, our Board has nominated Mr. Friedman and Dr. Fitzgerald for election as director at the Annual Meeting. Mr. Friedman was previously elected to our Board by our stockholders. If you elect Mr. Friedman and Dr. Fitzgerald, they will hold office until the annual meeting of stockholders in 2025 and until their respective successors have been duly elected and qualified, or, if sooner, until their deaths, resignation or removal. Mr. Friedman and Dr. Fitzgerald currently serve on our Board and have consented to being named in this proxy statement and to serve if elected. The Board has no reason to believe that the nominees would prove unable to serve if elected. There are no arrangements or understandings between us and any director, or the nominees for directorship, pursuant to which such person was selected as a director or nominee. Proxies cannot be voted for a greater number of persons than the number of nominees named in this proposal.

It is our policy to encourage, but not require, directors and nominees for director to attend the Annual Meeting. Two members of the Board attended the 2021 annual meeting of the stockholders. We anticipate that a majority of the members of the Board will attend the virtual Annual Meeting.

The brief biography below includes information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills that led the Nominating and Corporate Governance Committee to believe that such director should serve on the Board. There are no family relationships among any of our executive officers or directors.

Nominees	Age	Term Expires	Position(s) Held	Director Since
Bart Friedman	77	2022	Director	2015
Kevin Fitzgerald	54	2022	Director	2021

**Bart Friedman, JD** has served as a member of our Board since 2015 and is our lead independent director. Mr. Friedman is Senior Counsel at Cahill Gordon & Reindel LLP, a New York law firm, but was a partner since 1980. Mr. Friedman's practice focuses on corporate governance investigations and advisory and crisis advisory. Earlier in his career, Mr. Friedman worked at the Securities and Exchange Commission, initially as Special Counsel and later as Assistant Director. Mr. Friedman previously served as Chairman of the board of directors of the Sanford C. Bernstein Mutual Funds and as lead independent director of the board of directors of Allied World Assurance Holdings. Mr. Friedman earned his AB from Long Island University and his JD from Harvard Law School and served for one year on the Research Faculty of Harvard Business School. ## INFORMATION REGARDING THE BOARD AND CORPORATE GOVERNANCE

### Board Diversity

In accordance with applicable The Nasdaq Stock Market (“Nasdaq”) listing requirements, the following table presents our Board diversity statistics as of March 30, 2022. Each of the categories listed in the table below has the meaning as it is described to it in Nasdaq Rule 5605(f).

<b>Total Number of Directors: 6</b>				
	<b>Female</b>	<b>Male</b>	<b>Non-Binary</b>	<b>Did Not Disclose Gender</b>
<b>Part I: Gender Identity</b>				
Directors	2	4	-	-
<b>Part II: Demographic Background</b>

### Board Independence

As required under Nasdaq listing standards, a majority of the members of a listed company’s Board must qualify as “independent,” as affirmatively determined by the Board. The Board consults with the Company’s counsel to ensure that the Board’s determinations are consistent with relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent auditors, our Board has affirmatively determined that all of our directors whose terms continue beyond the Annual Meeting, except Dr. Levin, by virtue of his position as our Chief Executive Officer, is an independent director within the meaning of the applicable Nasdaq listing standards. In making these determinations, our Board has determined, upon the recommendation of our Nominating and Corporate Governance Committee, that none of these directors or the nominee for director had a material or other disqualifying relationship with the Company. The Board also determined that each member of our Audit, Compensation and Nominating and Corporate Governance committees satisfies the independence standards for such committees established by the SEC and the Nasdaq listing standards, as applicable.

### Leadership Structure and Risk Oversight

The Board is currently chaired by the Dr. Levin, our Chief Executive Officer. The Board has also appointed Mr. Friedman as lead independent director. The Board believes that combining the positions of Chief Executive Officer and Chairperson helps to ensure that the Board and management act with a common purpose. In the Board’s view, separating the positions of Chief Executive Officer and Chairman has the potential to give rise to divided leadership, which could interfere with good decision-making or weaken our ability to develop and implement strategy. Instead, the Board believes that combining the positions of Chief Executive Officer and Chairperson provides a single, clear chain of command to execute the Company’s strategic initiatives and business plans. In addition, we believe that a combined Chief Executive Officer/Chairperson is better positioned to act as a bridge between management and the Board, facilitating the regular flow of information.

The Board appointed Mr. Friedman as the lead independent director to help reinforce the independence of the Board as a whole. The position of lead independent director has been structured to serve as an effective balance to a combined Chief Executive Officer/Chairperson: the lead independent director is empowered to, among other duties and responsibilities, preside over Board meetings in the absence of the Chairperson, preside over meetings of the independent directors, act as liaison between the Chairperson and the independent directors, consult with the Chairperson in planning and setting schedules and agendas for Board meetings to be held during the year, and, as appropriate upon request, act as a liaison to stockholders. In addition, it is the responsibility of the lead independent director to coordinate between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues. As a result, the Board believes that the lead independent director can help ensure the effective independent functioning of the Board in its oversight responsibilities. In addition, the Board believes that the lead independent director is better positioned to build a consensus among directors and to serve as a conduit between the other independent directors and the Chairperson, for example, by facilitating the inclusion on meeting agendas of matters of concern to the independent directors. In light of the Chief Executive Officer’s extensive history with and knowledge of the Company, and because the Board’s lead independent director is empowered to play a significant role in the Board’s leadership and in reinforcing the independence of the

Board, the Board believes that it is advantageous for the Company to combine the positions of Chief Executive Officer and Chairperson.

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight.

In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company.

Our Audit Committee has the responsibility to consider and discuss with management and the auditors, as appropriate, the Company's guidelines and policies with respect to financial risk management and financial risk assessment, including the Company's major financial risk exposures and the steps taken by management to monitor and control these exposures. In addition, the Audit Committee considers management risks relating to data privacy, technology and information security, including cyber security, and back-up of information systems and the steps the Company has taken to monitor and control such exposures as well as overseeing the performance of our internal audit controls. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking, including risks related to executive compensation and overall compensation and benefit strategies, plans, arrangements, practices and policies. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. The Nominating and Corporate Governance Committee also oversees and reviews with management the Company's major legal compliance risk exposures and the steps management has taken to monitor or mitigate such exposures, including the Company's procedures and any related policies with respect to risk assessment and risk management. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible. In connection with its reviews of the operations and corporate functions of our company, our Board addresses the primary risks associated with those operations and corporate functions. In addition, our Board reviews the risks associated with our company's business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies. While the Board and its committees oversee risk management strategy, management is responsible for implementing and supervising day-to-day risk management processes and reporting to the Board and its committees on such matters.

### **Board Meetings and Attendance**

Our Board held 13 meetings during the fiscal year ended December 31, 2021. Each of the incumbent directors attended at least 75% of the total of the meetings of the Board and the meetings of the committees of the Board on which he or she served during the fiscal year ended December 31, 2021 (in each case, which were held during the period for which he or she was a director and/or a member of the applicable committee).

As required under applicable Nasdaq listing standards, in fiscal 2021, our independent, non-employee directors met nine times in regularly scheduled executive sessions at which only independent directors were present. Mr. Friedman, the lead independent director, presided over the executive sessions and served as the liaison between the independent directors and the Chief Executive Officer and Chairman.

### **Board Committees**

Our Board has established three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, each of which is described more fully below. The Board has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding "independence" and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities.

Each of the committees operates pursuant to a written charter and each committee reviews and assesses the adequacy of its charter and submits its charter to the Board for approval. The charters are all available in the "Investors – Governance" section of our website, [www.ovidrx.com](http://www.ovidrx.com).

#### *Audit Committee*

The Audit Committee of the Board was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee our corporate accounting and financial reporting processes, systems of internal control, audits of its financial statements and the integrity of the Company's financial statements. For this purpose, the Audit Committee performs several functions, including, among other things:

- evaluating the performance of and assesses the qualifications of the auditors;
- determining whether to retain or terminate the existing auditors or to appoint and engage new auditors;
- determining and approving the engagement of the auditors;
- reviewing and approving the retention of the auditors to perform any proposed permissible non-audit services;
- monitoring the rotation of partners of the auditors on the Company's audit engagement team as required by applicable law;
- conferring with management and the auditors regarding the effectiveness of internal control over financial reporting;
- establishing procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and
- reviewing the Company's annual audited financial statements and quarterly financial statements with management and the independent auditor, and a review of the Company's disclosures under "Management's Discussion and Analysis of Financial Condition and Results of Operations" and "Risk Factors."

Drs. Bernstein and Poole, Ms. Duncan and Mr. Friedman served as members of the Audit Committee during 2021, with Ms. Duncan serving as chair of the committee. The Board reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the Nasdaq listing standards). Our Board also determined that Mr. Friedman and Ms. Duncan were each an "audit committee financial expert" within the meaning of the SEC regulations and applicable listing standards of Nasdaq.

### ***Compensation Committee***

The Compensation Committee acts on behalf of the Board to review, modify (as needed) and approve, or review and recommend, as applicable, the overall compensation strategy and policies for the Company, including:

- reviewing and approving, or reviewing and recommending to the Board for approval, annual corporate goals and objectives relevant to the compensation of our chief executive officer;
- evaluating the performance of our chief executive officer in light of such corporate goals and objectives and determining the compensation of our chief executive officer;
- reviewing and approving the compensation of our other executive officers and certain other members of senior management, as appropriate;
- reviewing and making recommendations to the Board with respect to director compensation;
- appointing, compensating and overseeing the work of any compensation consultant, legal counsel or other advisor retained by the Compensation Committee;
- conducting the independence assessment outlined in Nasdaq rules with respect to any compensation consultant, legal counsel or other advisor retained by the Compensation Committee;
- administration of our equity compensation plans, pension and profit-sharing plans, deferred compensation plans and other similar plan and programs; and
- reviewing and discussing with management the compensation-related disclosure to be included in our annual proxy statement or Annual Report on Form 10-K.

Drs. Bernstein and Poole and Mr. Friedman served as members of the Compensation Committee during 2021, with Dr. Bernstein serving as chair of the committee. All members of the Compensation Committee are independent (as independence is currently defined in Rule 5605(d)(2) of the Nasdaq listing standards.

### **Compensation Committee Processes and Procedures**

Typically, the Compensation Committee meets quarterly and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chairman of the Compensation Committee, in consultation with our Chief Executive Officer and our Senior Vice President of Human Resources. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisers or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company. In addition, under the charter, the Compensation Committee has the authority to obtain, at our expense, advice and assistance from compensation consultants and internal and external legal, accounting or other advisers and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after assessing the independence of such person in accordance with SEC and Nasdaq requirements that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

During the past fiscal year, after taking into consideration the six factors prescribed by the SEC and Nasdaq, the Compensation Committee engaged Oyster Pond Associates, LLC (the "Consultant"), a compensation consulting firm, as a compensation consultant. The Compensation Committee has assessed the Consultant's independence and determined that the Consultant had no conflicts of interest in connection with its provisions of services to the Compensation Committee. Specifically, the Compensation Committee engaged the Consultant to provide market data, peer group analysis and conduct an executive compensation assessment analyzing the current cash and equity compensation of our executive officers and directors against compensation for similarly situated executives and non-employee directors at companies in our peer group. Our management did not have the ability to direct the Consultant's work.

Historically, our Compensation Committee has made most of the significant adjustments to annual compensation, determined bonus and equity awards and established new performance objectives at one or more meetings held during the first quarter of the year. However, our Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of our compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process comprises two related elements: the determination of compensation levels and the establishment of performance objectives for the current year. For executives other than the Chief Executive Officer, our Compensation Committee solicits and considers evaluations and recommendations submitted to the Compensation Committee by the Chief Executive Officer. In the case of the Chief Executive Officer, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as executive and director stock ownership information, company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels, including analyses of executive and director compensation paid at a peer group of other companies approved by our Compensation Committee.

### ***Nominating and Corporate Governance Committee***

The Nominating and Corporate Governance Committee is responsible for, among other things:

- identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board);
- reviewing, evaluating and considering the recommendation for nomination of incumbent directors for re-election to the Board, as well as monitoring the size of the Board;
- recommending to the Board the persons to be nominated for election as directors and to each of the committees of the Board;
- assessing the performance of management and the Board; and
- developing a set of corporate governance guidelines for the Company.

Dr. Bernstein, Ms. Duncan and Mr. Friedman served as members of the Nominating and Corporate Governance Committee during 2021, with Dr. Bernstein serving as chair of the committee. Dr. Fitzgerald was subsequently appointed to the Nominating and Corporate Governance Committee effective as of February 3, 2022. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards). The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, understand the Company's industry and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability.

In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Committee will take into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. Generally, our Nominating and Corporate Governance Committee identifies candidates for director nominees in consultation with management, using search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the Nominating and Corporate Governance Committee deems to be helpful to identify candidates. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. The Nominating and Corporate

Governance Committee may gather information about the candidates through interviews, questionnaires, background checks or any other means that the Nominating and Corporate Governance Committee deems to be appropriate in the evaluation process. We have no formal policy regarding board diversity. Our Nominating and Corporate Governance Committee's priority in selecting board members is identification of persons who will further the interests of our company through his or her established record of professional accomplishment, the ability to contribute positively to the collaborative culture among board members, and professional and personal experiences and expertise relevant to our growth strategy.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by providing timely notice in writing to our Corporate Secretary at c/o Ovid Therapeutics Inc., 441 Ninth Avenue, 14<sup>th</sup> Floor, New York, NY 10001. To be timely, we must receive the notice not less than 90 days nor more than 120 days prior to the anniversary of the prior year's annual meeting of stockholders; *provided, however*, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, we must receive the stockholder's notice (i) no earlier than the close of business on the 120th day prior to the proposed date of the annual meeting and (ii) no later than the close of business on the later of the 90th day prior to the annual meeting or the 10th day following the day on which we first make a public announcement of the date of the annual meeting. Submissions must include the specific information required in Section 5 of our Bylaws. For additional information about our director nomination requirements, please see our Bylaws and "Questions and Answers About These Proxy Materials and Voting – When are stockholder proposals due for the 2023 Annual Meeting of Stockholders?" above.

## PROPOSAL 2: RATIFICATION OF THE SELECTION OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. KPMG LLP has audited the Company's financial statements since 2015. A representative of KPMG LLP is expected to be available during the Annual Meeting with the opportunity to make a statement if he or she desires and to respond to appropriate questions.

Our organizational documents do not require that the stockholders ratify the selection of KPMG LLP as our independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

### Vote Required

The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote on the matter at the annual will be required to ratify the selection of KPMG LLP.

<b>Total Fees</b>	<b>\$ 442,601</b>	<b>\$ 633,125</b>

(1) Audit fees consist of fees for our quarterly reviews and annual audit of our financial statements. In 2020 these fees also included those related to our public offerings and registration statement.

### Pre-Approval Policies and Procedures

Our Audit Committee approves all audit and pre-approves all non-audit services provided by KPMG LLP before it is engaged by us to render non-audit services to ensure that the provision of these services does not impair the auditor's independence. These services may include audit-related services, tax services and other non-audit services.

The pre-approval requirement set forth above does not apply with respect to non-audit services if:

- all such services do not, in the aggregate, amount to more than 5% of the total fees paid by us to KPMG LLP during the fiscal year in which the services are provided;
- such services were not recognized as non-audit services at the time of the relevant engagement; and
- such services are promptly brought to the attention of and approved by the Audit Committee (or its delegate) prior to the completion of the annual audit.

The Audit Committee elected to delegate pre-approval authority to the chairperson of the Audit Committee to approve any one or more individual permitted non-audit services for which estimated fees do not exceed \$75,000 as well as adjustments to any estimated pre-approval fee thresholds up to \$50,000 for any individual service. Any services that would exceed such limits should be pre-approved by the full Audit Committee. The chairperson shall report any pre-approval granted at the next scheduled meeting of the Audit Committee.

The equity awards that we have granted, and may in the future grant, to our named executive officers under our equity incentive plans are also subject to the termination and change in control provisions of such plans.

### ***Health and Welfare Benefits***

All of our current named executive officers are eligible to participate in our employee benefit plans, including our medical, dental and vision insurance plans, in each case on the same basis as all of our other employees.

### **401(k) Retirement Plan**

We maintain a defined contribution retirement plan for our employees. Our 401(k) plan is intended to qualify as a tax-qualified plan under Section 401 of the Code so that contributions to our 401(k) plan and income earned on such contributions are not taxable to participants until withdrawn or distributed from the 401(k) plan (except in the case of contributions under the 401(k) plan designated as Roth contributions, which are not taxable when distributed). Our 401(k) plan provides that each participant may contribute up to 100% of his or her pre-tax compensation, up to a statutory limit of \$19,500 for 2021 and \$20,500 for 2022. Participants who are at least 50 years old can also make “catch-up” contributions, which in 2021 and 2022 may be up to an additional \$6,500, respectively, above the statutory limit. Under our 401(k) plan, each employee is fully vested in his or her deferred salary contributions. Employee contributions are held and invested by the plan’s trustee. Our 401(k) plan also permits us to make discretionary and matching contributions, subject to established limits and a vesting schedule. We make matching contribution equal to 100% of salary deferrals that do not exceed 3% of compensation plus 50% of salary deferrals between 3% and 5% of compensation.

### **Director Compensation**

#### ***Cash and Equity Compensation***

We maintain a non-employee director compensation policy, as amended from time to time. Each non-employee director receives an annual base retainer of \$40,000. In addition, our non-employee directors receive the following cash compensation for board services, as applicable:

- each member of our audit, compensation and nominating and corporate governance committees, other than the chairperson, receives an additional annual retainer of \$7,500 for audit member, and \$5,000 for each other committee member; and
- each chairperson of our audit, compensation and nominating and corporate governance committees receives an additional annual retainer of \$15,000 for audit chair and \$12,500 for each other committee chair.

In addition, the lead independent director receives an additional annual retainer of \$20,000.

These retainers are payable in arrears in four equal quarterly installments on the last day of each quarter, provided that the amount of such payment will be prorated for any portion of such quarter that the director is not serving on the Board. We also reimburse each of our directors for their travel expenses incurred in connection with their attendance at Board and committee meetings.

In addition, each non-employee director elected to the Board will receive an initial one-time option to purchase 26,500 shares of our common stock. The shares subject to each such stock option will vest monthly over a three-year period, subject to the director’s continued service as a director. Further, on the date of each annual meeting of stockholders, each non-employee director that continues to serve as a non-employee member on the Board will receive an option to purchase 13,250 shares of our common stock. Beginning in 2022, the annual awards will be granted on the day that the Board or Compensation Committee grants annual equity awards to our executive officers and other employees. The shares subject to each such stock option will vest in full on the date that is 12 months after the grant date, subject to the director’s continued service as a director. The exercise price of these options will equal the fair market value of our common stock on the date of grant.

We also reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending our Board and committee meetings.

This policy is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors’ interests with those of our stockholders.

The following table sets forth information concerning compensation accrued or paid to our independent, non-employee directors during the year ended December 31, 2021 for their service on our Board. ## TRANSACTIONS WITH RELATED PERSONS

### **Policies and Procedures Regarding Transactions with Related Parties**

We have adopted a written Related Person Transactions Policy that sets forth our policies and procedures regarding the identification, review, consideration and approval or ratification of “related-persons transactions.” For purposes of our policy only, a “related-person transaction” is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any “related person” are participants involving an amount that exceeds or will exceed \$120,000 or, during such time as we qualify as a “smaller reporting company,” the lesser of (1) \$120,000 or (2) 1% of the average of our total assets for the last two completed fiscal years, and in which any related person had or will have a direct or indirect material interest. Transactions involving compensation for services provided to us as an employee, director, consultant or similar capacity by a related person are not covered by this policy. A related person is any executive officer, director, or a holder of more than 5% of our capital stock, including any of their immediate family members, and any entity owned or controlled by such persons.

### **Certain Related-Party Transactions**

Below are our related-party transactions since January 1, 2020 to which we were a party or will be a party, other than compensation, termination and change of control arrangements with our named executive officers and directors, which are described where required under the sections entitled “Executive Officer and Director Compensation — Employment Arrangements” and “Director Compensation — Cash and Equity Compensation.”

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that we would pay or receive, as applicable, in arm’s-length transactions with unrelated third parties.

#### ***2021 Royalty, License and Termination Agreement with Takeda***

On March 2, 2021, we entered into a royalty, license and termination agreement, or the Takeda License and Termination Agreement, with Takeda Pharmaceutical Company Limited (“Takeda”), relating to the 2017 License and Collaboration Agreement with Takeda, or the Takeda collaboration agreement. Under the terms of the Takeda License and Termination Agreement, the Takeda collaboration agreement terminated and Takeda secured rights to our 50% global share in OV935 (soticlestat), and an exclusive license under our relevant intellectual property rights, in exchange for an upfront payment, development and commercial milestone payments, and royalties. Takeda assumed all responsibility for, and costs of, both development and commercialization of soticlestat. On March 29, 2021 the closing of the Takeda License and Termination Agreement, we received an upfront payment of \$196.0 million and are eligible to receive up to an additional \$660.0 million in development, regulatory and sales milestones. In addition, if soticlestat achieves regulatory approval, we will receive tiered royalties on net sales of soticlestat at percentages ranging from the low double-digits up to 20%, subject to standard reductions in certain circumstances. Royalties are payable on a country-by-country and product-by-product basis during the period beginning on the date of the first commercial sale of such product in such country and ending on the later to occur of the expiration of patent rights covering the product in such country and a specified anniversary of such first commercial sale.

#### ***Investors’ Rights Agreement***

We are party to an amended and restated investors’ rights agreement, dated January 6, 2017, with the holders of our convertible preferred stock and certain holders of our common stock, including Shira Capital LLP, Takeda, Divo Holdings, LLC, Dr. Levin, our Chief Executive Officer and Chairman of our Board, and Dr. During, our former President and Chief Scientific Officer. This agreement provides that these holders are entitled to certain registration rights, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we otherwise file. In addition to the registration rights, this agreement provides for certain information rights and rights of first refusal in favor of holders of our convertible preferred stock with regard to certain issuances of our capital stock. The information rights and rights of first refusal terminated immediately prior to the completion of our initial public offering. The registration rights will terminate upon the earliest of (1) the closing of a deemed liquidation event, as defined in our amended and restated certificate of incorporation, as currently in effect, (2) with respect to each stockholder, the date when such stockholder can sell all of its registrable shares without limitation during a three-month period without registration pursuant to Rule 144 of the Securities Act or another similar exemption under the Securities Act and (3) five (5) years after the completion of our initial public offering.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information known to us regarding the beneficial ownership of our common stock as of April 11, 2022, by: (i) each of our named executive officers; (ii) each of our directors; (iii) all of our executive officers and directors as a group; and (iv) each person, or group of affiliated persons, known by us to beneficially own more than 5% of any class of our voting securities.

Information with respect to beneficial ownership is based on information furnished to us by each director, executive officer or stockholder who holds more than 5% of our outstanding common stock, and Schedules 13G or 13D filed with the SEC, as the case may be. Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he or she possesses sole or shared voting or investment power of that security, and includes options and warrants that are exercisable within 60 days of April 11, 2022 and Series A preferred stock convertible within 60 days of April 11, 2022. Warrants, options to purchase shares of our common stock that are exercisable and shares of Series A preferred stock that are convertible within 60 days of April 11, 2022, are deemed to be beneficially owned by the persons holding these warrants, options or shares of Series A preferred stock for the purpose of computing percentage ownership of that person but are not treated as outstanding for the purpose of computing any other person's ownership percentage. Beneficial ownership with respect to an individual holder excludes shares of Series A preferred stock, each of which is convertible into 1,000 shares of our common stock, provided that the holder would not beneficially own in the aggregate more than 9.99% or 14.99%, which percentage may be changed at the holder's election to any other number less than or equal to 19.99% upon 61 days' notice (the "Series A Blocker"). Except as indicated in the footnotes below, each of the beneficial owners named in the table below has, to our knowledge, sole voting and investment power with respect to all shares of common stock listed as beneficially owned by him or her, except for shares owned jointly with that person's spouse.

We have based our calculation of beneficial ownership on 70,417,345 shares of our common stock outstanding as of April 11, 2022. Unless otherwise indicated, the address for each of the stockholders in the table below is c/o Ovid Therapeutics Inc., 1460 Broadway, Suite 15044, New York, New York 10036.

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

## **HOUSEHOLDING OF PROXY MATERIALS**

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our Proxy Materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Ovid Therapeutics Inc. Direct your written request to Ovid Therapeutics Inc., 1460 Broadway, Suite 15044, New York, New York 10036, Attn: Thomas M. Perone, General Counsel, Corporate Secretary, or contact Mr. Perone at (646) 701-5169). Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

## OTHER MATTERS

The Board knows of no business to be brought before the 2021 Annual Meeting which is not referred to in the accompanying Notice of Annual Meeting. Should any such matters be presented, the persons named in the proxy shall have the authority to take such action in regard to such matters as in their judgment seems advisable. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the Annual Meeting unless they receive instructions from you with respect to such matter.

By Order of the Board of Directors
